POM 8-1

MEMORANDUM FOR: Chief, Contracting Team, DDI

FROM: [REDACTED]

Chief, Procurement Management Staff
Office of Logistics

SUBJECT: Request for Approval to Amend Contract [REDACTED]

Ed:

1. Attached herewith are your requests for approval to amend contracts with [REDACTED] both dated 18 June 1982. While the Director of Logistics has approved these actions, both of the firms will continue to be on Procurement Note 85. The primary concern is with regard to new contracts placed with these two firms.

2. We note that your routing sheet forwarding the memoranda to the Director of Logistics went through simply, "C/PMS," rather than C/PMS/OL. This designator resulted in someone with the initial "W" signing the routing sheet, and our staff in OL being missed completely. Would you please ask your staff to show OL routing on future correspondence.
